**- Site License -**

If your company or school has purchased a Site License, you may be able to download a prepaid software package immediately!

**Please use Internet Explorer or Firefox to request your software.**

**What is a Site License?**  
A Site License is an agreement that can be purchased by a company or school. It allows all current employees of the company or students of the school to be able to download fully functional software that will last for a fixed period of time.

**How can my company or school get involved?**  
Show [this page to your company](#) or [this page to your school](#).

**Site License Verification**

Email Address

**SUBMIT**

- The domain of your address, the part that comes after the @ symbol, must match that of your company or school.
- After you enter a qualifying email address you will be lead through the download process. We will use this address to email you the serial number and other codes needed for installation.

**What is a Site Subscription?**  
 A Site Subscription is an agreement that can be purchased by a company, school or institution. It allows all current employees of the company or students of the school to be able to download fully functional software that will last for a fixed term. Subscriptions are available for desktop software, enterprise software, and database content.

**Site License**

**Yes! Your institution has set up a site license and now you can download software.**

Please click 'Continue' to start the download process, and please contact the technical administrator for Johannes Kepler Universität Linz, Monika Goehring, at monika.goehring@jku.at, for details.

**Continue** →
