

Studienrichtung	ISCED CODE
Bioinformatics	061 Information and Communication Technologies
Bioinformatik	061 Information and Communication Technologies
Biologische Chemie	0531 Chemistry
Biophysik	0533 Physics
Computer Science	061 Information and Communication Technologies
Computermathematik	0541 Mathematics
Economics	0311 Economics
Finance & Accounting	041 Business and administration
General Management	041 Business and administration
Industriemathematik	0541 Mathematics
Informatik	061 Information and Communication Technologies
Informationselektronik	0714 Electronics and automation
Joint Master's Degree Programm "Comparative Social Policy and Welfare"	031 Social and behavioural sciences
Kulturwissenschaften	0314 Sociology and cultural studies
Kunststofftechnik	0711 Chemical engineering and Processes + 0722 Materials (glass, paper, plastic and wood)
Management and Applied Economics	041 Business and administration
Management in Polymer Technologies	0711 Chemical engineering and Processes + 0722 Materials (glass, paper, plastic and wood)+ 0413 Management and Administration
Mechatronik	071 Engineering and engineering trades
Medizin	0912 Medicine
Nanoscience and -Technology	0533 Physics
Netzwerke und Sicherheit	061 Information and Communication Technologies
Pervasive Computing	061 Information and Communication Technologies
Politische Bildung	312 Political sciences and civics
Polymer Technologies and Science	0711 Chemical engineering and Processes + 0722 Materials (glass, paper, plastic and wood)
Polymerchemie	0531 Chemistry
Rechtswissenschaften	0421 Law
Recht und Wirtschaft für TechnikerInnen	0421 Law, 041 Business and administration
Sozialwirtschaft	041 Business and administration
Soziologie	031 Social and behavioural sciences
Statistik	0542 Statistics
Steuerwissenschaften	0421 Law
Technische Chemie	0531 Chemistry
Technische Mathematik	0541 Mathematics
Technische Physik	0533 Physics
Unterrichtsfach Chemie	0531 Chemistry
Unterrichtsfach Informatik und Informatikmanagement	061 Information and Communication Technologies
Unterrichtsfach Mathematik	0541 Mathematics
Unterrichtsfach Physik	0533 Physics
Wirtschaftsinformatik	061 Information and Communication Technologies + 041 Business and administration
Wirtschaftsingenieurwesen Technische Chemie	0531 Chemistry
Wirtschaftspädagogik	041 Business and administration
Wirtschaftsrecht	04 Business, administration and law
Wirtschaftswissenschaften	041 Business and administration
