October 25th, 2017

At the Institute for Measurement Technology of the Faculty of Engineering and Natural Sciences of the Johannes Kepler University Linz, Austria, a position for a research assistant (for four years) is open from February 1st, 2018 (formally under the Kollektivvertrag der ArbeitnehmerInnen der Universitäten, i.e. the collective treaty for employees, and the UG, i.e. the Universities Act).

Formal Requirements:

- Candidates should have completed (MSc or Dipl.-Ing. degree) Studies in Mechatronic, 'Electrical Engineering', 'Electronics and Information Technology', Telematik.
- Specific knowledge with a particular focus on measurement technology, sensors, electronics and/or digital signal- and image processing.
- Additionally, a particular qualification in one or more subjects in the field of Mechatronics is expected.
- Strong research interests in those areas are required.

We offer:

- Ideal scope in a dynamic field of engineering.
- Extensive and dedicated laboratory equipment.
- Highly challenging research objectives in one of the above mentioned areas.
- Possibility to study towards a PhD in Mechatronics.

We expect:

- The candidate to conduct and publish research in the scope of the research fields of the institute.
- Support the institute with respect to its teaching duties (lab courses, exercises, assistance with bachelor and master theses).

- Commitment to be involved in international and interdisciplinary cooperations.
- Supporting the institute in administrative issues.

For more information, please contact Univ.-Prof. Dipl.-Ing. Dr. Bernhard Zagar, Tel. +43 732 2468 5921, bernhard.zagar@jku.at, www.jku.at/emt.

The salary according to the collective treaty for employees amounts to € 2.731,00 gross per month (14 times a year).

The Johannes Kepler University especially encourages applications from female candidates and women will be given preference in case of equal qualifications. Applications from challenged persons will be given preferential consideration in the case of equal qualifications.

Interested applicants should send an application containing curriculum vitae, photo, accomplishments and copies of certificates to the Personalmanagement der Zentralen Dienste der Johannes Kepler Universität Linz, 4040 Linz/Auhof, Austria, or online <http://jku.at/application>.

The deadline for applications is January 10th, 2018.

**Please include the following phrase in your application:
“Anzeigennummer 3450”.**
