

DVS POLYMER MEETING

DANUBE VLTAVA SAVA POLYMER MEETING 2015

This 3 river conference builds on the tradition of the “Austrian Slovenian Polymer Meeting”, and the “Advances in Polymer Science & Technology” bringing together the polymer communities of the central European region.

VISIT US FROM MAY 11 – MAY 13, 2015

Danube Vltava Sava Polymer Meeting – DVS Polymer Meeting May 11 – May 13, 2015, Toscana Congress Center, Gmunden, Austria www.dvspm.at

This conference builds on the tradition of the “Austrian Slovenian Polymer Meeting”, and the “Advances in Polymer Science & Technology” bringing together the polymer communities of the central European region. It is aiming at facilitating the communication between industry and academia, is covering recent developments & future targets and considering global trends & events.

Scientific Program

Monday, May 11, 2015: Plenary Day
Tuesday, May 12, 2015: Parallel Sessions
Wednesday, May 13, 2015: Parallel Sessions

Symposia:

1. Polymer Chemistry

- Polymerization
- Catalysis
- Additives and Stabilizers for Polymers
- Functional Polymers
- Active and Smart Composites

2. Polymer Characterization

- Chemical Characterization
- Physical Characterization (Structures)
- Mechanical Characterization (Rheology and Mechanical Tests)

3. Polymer Conversion

- Basic Improvements in Screw, Mold and Die Design
- Function Integration with Injection Molding Technologies
- Extrusion and Compounding
- Flow-induced Crystallization of Polymers
- Modeling
- Multi Scale Characterization and Simulation

4. Polymers & Sustainability

- Bio based Polymers
- Polymers for Energy Applications
- Polymers and Environment
- LCA of Polymers

Plenary and Keynote Speakers

Dr. Maurits van Tol, Borealis, Linz, Austria
Prof. Matthias Labrenz, Leibniz Institute for Baltic Sea Research, Rostock, Germany
Prof. Brigitte Voit, IPF Dresden, Germany
Dr. Ema Žagar, National Institute of Chemistry, Ljubljana, Slovenia
Prof. Igor Lacik, Slovak Academy of Sciences, Bratislava, Slovakia
Prof. Christian Slugovc, TU Graz, Austria
Dr. Robert Brüll, Fraunhofer Institute for Structural Durability and System Reliability LBF, Darmstadt, Germany
Prof. Gerrit Peters, TU Eindhoven, Netherlands
Assoc. Prof. Gerald R. Berger, MU Leoben, Austria
Dr. Karoly Renner, TU Budapest, Hungary

Social Program

Monday, May 11, 2015: Poster Session
Tuesday, May 12, 2015: Conference Dinner

Organizing Committee

Prof. Wolfgang Buchberger, Johannes Kepler University Linz, Austria
Ing. Wolfgang Bohmayr, Plastics Cluster Upper Austria
Prof. Oliver Brüggemann, Johannes Kepler University Linz, Austria
Dr. Markus Gahleitner, Borealis Polyolefine GmbH Linz, Austria
Prof. Sabine Hild, Johannes Kepler University Linz, Austria
Prof. Zoltan Major, Johannes Kepler University Linz, Austria
Dr. Andreas Meinecke, Borealis Polyolefine GmbH Linz, Austria
Prof. Christian Paulik, Johannes Kepler University Linz, Austria
Prof. Gernot Zitzenbacher, University of Applied Sciences, Wels, Austria

Scientific Committee

Prof. Clemens Holzer, Montan University Leoben, Austria
Prof. Wolfgang Kern, Montan University Leoben, Austria
Prof. Simone Knaus, Technical University Vienna, Austria
Prof. Robert Liska, Technical University Vienna, Austria
Dr. Maria Omastova, Slovak Academy of Sciences, Bratislava, Slovakia
Prof. Volker Ribitsch, University Graz, Austria
Prof. Franz Stelzer, Technical University Graz, Austria
Dr. Ema Žagar, National Institute of Chemistry, Ljubljana, Slovenia
Prof. Majda Žigon, Slovenian Chemical Society, Ljubljana, Slovenia

Conference Fees

The fee is charged per participant and is 500 (450) Euro. For students the conference fee is 300 (270) Euro. The numbers in brackets refer to early bird registration.

Accommodation: The hotel reservation form can be found via the following link: www.dvspm.at (menu on the left side: Hotels).

For Registration or more Information please contact:

Ms Renate Herbrink, Institute of Polymer Chemistry (ICP), Johannes Kepler University Linz, Austria,
e-mail: dvspm@jku.at, phone: +43 (0) 732 6715 - 4760

Timeline

Deadline for abstracts will be January 31, 2015. Deadline for early bird registration will be February 28, 2015. Deadline for registration will be April, 24, 2015.

THIS CONFERENCE IS ORGANIZED UNDER
THE AUSPICES OF:
