### Study Guide

Look at the variety of courses by browsing the [Online-Study Guide](#).

Please note that the final list of university courses at JKU will only be available a few weeks before the relevant semester begins. In order to select your courses for the upcoming semester, please use the list of courses offered from the previous year as a guideline (i.e., courses from 2013S). Courses offered in the Summer Semester are usually similar to courses offered during previous Summer Semesters. The same applies for courses offered during previous Winter Semesters.
