Information:
Armelle Arnould
Tel : +352 46 66 44 6619
Email : armelle.arnould@uni.lu
Double taxation remains one of the biggest obstacles to cross-border trade. The conference will analyze the reasons for the existence of juridical and economic double taxation and the given solutions for the avoidance of double taxation. Special emphasis is put on the jurisprudence of the European Court of Justice and on possible measures de lege ferenda to improve the situation of the taxpayer.
