

Stay in Ceske Budejovice - 2020/2021

Intro

- University of South Bohemia (USB) www.jcu.cz
- Faculty of Science www.prf.jcu.cz

- Both WS 2020 and SS 2021
- WS 2020 starts probably on Monday **21th September 2020** (for 2nd year BSc students) – it can change due to COVID-19 situation
- SS 2020 ends probably on **end of May 2021** - it can change due to current COVID-19 situation
- Scholarship: September 2019 - June 2020

Courses

Annex 1: Global map of study subjects - Bachelor's Program "Biological Chemistry" (2018)

1 st Semester (WS)		2 nd Semester (SS)		3 rd Semester (WS)		4 th Semester (SS)		5 th Semester (WS)		6 th Semester (SS)	
JKU Linz		JKU Linz		USB Budweis		USB Budweis		JKU Linz		JKU Linz/USB Budweis	
Subject/Course	ECTS	Subject/Course	ECTS	Module	ECTS	Subject/Module	ECTS	Subject/Course	ECTS	Subject/Module/Course	ECTS
General and Inorganic Chemistry Introduction to General Chemistry Chemical Calculations Introductory Lab Course Inorganic Chemistry I	12,5	General and Inorganic Chemistry Lab Course in General Chemistry	2	Biochemistry 1	4	Biochemistry 2	4	Analytical Chemistry Instrumental Analytical Chemistry Lab Course of Instrumental Analysis for Biological Chemistry	5	Mathematics and Physics Biophysics Laboratory for Biological Chemistry	3
				Biochemistry Laboratory 1	3	Biochemistry Laboratory 2	5				
		Analytical Chemistry Analytical Chemistry Lab Course in Analytical Chemistry	9,5	Biology of Animals	3	Biology of Plants	3	Informatics Sequence analysis and phylogenetics Exercises in Bioinformatics for Biological Chemistry & Molecular Biology	6	Physical Chemistry Lab Course in Physical Chemistry for Biological Chemistry	4
		Biology of Microorganisms	4	WHO/EU laboratory procedure administration	3						
Analytical Chemistry Introduction to Analytical Chemistry	3	Organic Chemistry Organic Chemistry 1 for Biological Chemistry	4,5	Biological Chemical Elective subject	3	Academic Writing for Cross Border Studies	3	Introduction to Genomics	3	Bachelor's Thesis Bachelor's Seminar Biological Chemistry JKU (Including Bachelor Thesis)	
Organic Chemistry Introduction to Organic Chemistry	3	Molecular Biology Introduction to Genetics	1,5	Biological Chemistry Project 1	1	Biological Chemistry Project 2	1				
General Skills Chemical Laboratory Safety Introduction into Gender Studies in Science and Engineering	4	Physical Chemistry Chemical Thermodynamics	1,5	Introduction to Cell Biology	1	Biomolecular NMR spectroscopy	3	Organic Chemistry Laboratory Course of preparative Organic Chemistry for Biological Chemistry 1 In-depth fundamentals of preparative Organic Chemistry for Biological Chemistry Exercises in Spectroscopy and Structure Elucidation I	9	Bachelor Thesis Biological Chemistry SBU (including Bachelor's Seminar) (USB Budweis)	10
Mathematics and Physics Introduction to Mathematics Mathematics for Biological Chemistry 1 Applications of Mathematics for Biological Chemistry 1 Physics 1 für Biological Chemistry	9	Mathematics and Physics Mathematics for Biological Chemistry 2 Applications of Mathematics for Biological Chemistry 2 Physics 2 für Biological Chemistry Exercises in Physics for Biological Chemistry	10,5	Biostatistics	5	Introduction to Bioinformatics	3				
				Methods in Molecular Biology	4	Biogeochemistry	2	Physical Chemistry Physical Chemistry for Biological Chemistry I Exercises in Physical Chemistry for Biological Chemistry I	6	State Examination (USB Budweis)	2
				Molecular Biology and Genetics I	3	Repetitorium in Organic Chemistry	1

CURRICULUM FOR THE BACHELOR'S PROGRAM IN BIOLOGICAL CHEMISTRY

Courses, examination

- STAG JCU <https://wstag.jcu.cz/portal/>
- Check academic calendar 2021/2020 for Cross Border studies
 - <https://www.prf.jcu.cz/en/study/information-for-students.html>
- **Electronic enrollment via STAG for WS 2020: in June**
- Registration: in September
- (do not miss the Electronic enrollment and Registration, USB will terminate your study without complete enrollment and registration!!!)

- Courses must be passed within the examination period! (~ 2 months)
- ECTS from Sport courses are not recognized at JKU

- Czech language course

Student Application / Housing form

- **Deadline: 1st June 2020**
- www.biologicalchemistry.jku.at → Bachelor → Stay in Budweis
 - <https://forms.office.com/Pages/ResponsePage.aspx?id=pF1fwwOa5kSL-ZKDNjT2pywufD1III1IsS3BYyCTiSpUMTBHTkRIOUNVSU1WVzQ2QIRUQUJEWTNOTS4u>
- **Name**
- **E-mail address**
- **Date of arrival**
- **Date of departure**
- **University student dormitory: YES/NO**

Accommodation / Student dormitories

- **University student dormitory:**

- **K1, K2, K3, K4** dormitories are located in the university campus
- <http://www.jcu.cz/study-at-usb/practical-info/accommodation/university-dormitories>
- Please follow guideline 2020: **RESERVATION OF ACCOMMODATION AT USB UNIVERSITY DORMITORIES**

www.biologicalchemistry.jku.at → Bachelor → Stay in Budweis

- **Private student dormitory PEDAGOG** <http://www.kolejepedagog.cz/>
 - close to the university campus
- **Flat**
 - Contact older students

GO HOME

- **TRAIN**

- Train to Linz each 2 hours (www.cd.cz, www.oebb.at), ~ 2 hours
- Ticket starts at 7 EUR/direction (fixed train connection, eshop)
- Student discount with ISIC card

- **BUS**

- www.flixbus.cz, ticket starts on 7 EUR, 1.5 – 2 hours

- **CAR**

- 1.5 hour

- **Students under 26 have 75% discount for public transport within CZ**

- Take a student card (ISIC card) with you
- Only long distance buses and trains, not city public transport
- e.g.: Ceske Budejovice – Praha 50 CZK / 2 EUR

Thank you!!!

Enjoy Ceske Budejovice
