Vorlesung: Pervasive Computing Systems Development

340.039   VO   **Pervasive Computing Systems Development**   (2h)

Blocked on 17. – 19. May 2011
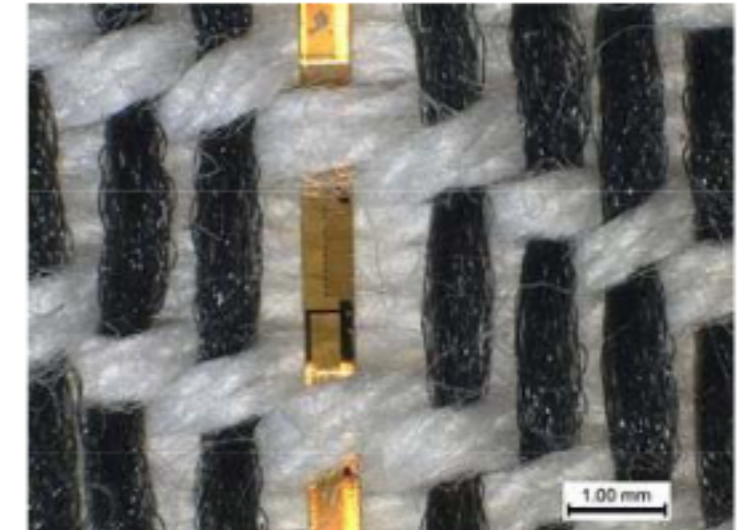

Wednesday 18. May 2011: Wearable Computing and Activity Recognition

Dr. Daniel Roggen

ETH Zürich

Wearable Computing Lab

08:30 - 10:00, Workshop 5: Concepts of Wearable Computing

10:15 - 11:45, Workshop 6: Sensors and Textile Integration

13:00 - 14:30, Workshop 7: The activity recognition chain

14:45 - 16:15, Workshop 8: Pattern Classification

Room will be announced soon...
