## **Poster Presentation Guidelines**

### **Creating Your Poster**

- Please create posters in **portrait orientation** with dimensions of **A0 size**.
- Dimensions (width x height): 841 x 1189 mm (33.1 x 46.8 in)
- The responsibility for printing and transporting posters to the conference lies with the presenters.

### **Displaying Your Poster**

- Refer to the assigned number for your poster in the Abstracts Booklet, and place it on the designated numbered poster board.
- Poster setup should be completed on the morning of the poster session, with materials for hanging provided.
- All posters can remain on display throughout the conference, but they must be taken down by the symposium's end on Thursday, September 21<sup>st</sup>.

*Important Note: Posters not complying with the preparation guidelines outlined above may not be guaranteed for display.*
