

Dear Students of the Medical Faculty of the JKU Linz and abroad,

We invite you to the:

4. Summer School – General practice in rural Areas

Ordination visits - home visits - exchange of experiences and discussion

Dear Colleagues,

on behalf of the Institute for General Medicine of the Medical Faculty / JKU Linz and OBGAM - Upper Austria Society for general medicine - we cordially invite you to Haslach an der Mühl to participate in the "4. Summer School - General Practice in a Rural Region". This year we have also **two places** for students from abroad. We hope for an interesting international exchange on general practice in different countries.

Head of the Program: Dr. Erwin Rebhandl, Univ. Lecturer for General Medicine and board member of OBGAM

Date: July 25-29, 2022 in Haslach an der Mühl

Arrival on July 25, 2022 at 1 p.m. **Departure** on July 29, 2022 at around 4 p.m.

Number of participants: maximum 12

Accommodation: Boarding school of the Technical College Haslach, Grubberg 3, 4170 Haslach in single rooms with breakfast.

Lunch: individual; **Dinner:** together at around 7:00 p.m.

Preliminary program (see also appendix for details):

Visits to the Primary Health Centre Haslach and other general practitioners' practices, visits to the Haslach nursing home, lectures and discussions with representatives: Medical Faculty, physicians, community representatives, representatives of social health insurance and the state of Upper Austria.

Please send your registration by e-mail to the Institute for General Medicine by May 20, 2022 to:

allgemeinmedizin@jku.at

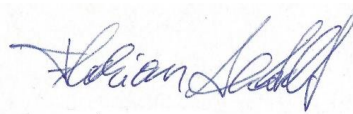

We kindly ask you to send us a **motivation letter in German with an explanation**, (approx. 100 characters) for participation in the Summer school.

Dr. Erwin Rebhandl

Univ. Prof. Dr. Erika Zelko

Dr. Florian Ardelt

With the financial support of the state of Upper Austria and the ÖGK there are no costs for the participants.
