**Important notes:**

(In parts excerpted from recent agreements between the Austrian Marshall Plan Foundation and awardees)

**1) The awardee is responsible to duly apply for a visa.**

- Information for US students:
  - <https://oead.at/en/to-austria/entry-and-residence/>
  - Austrian Representations:  
<https://www.bmeia.gv.at/en/embassies-consulates/search-for-austrian-representations/>
- Information for JKU students applying for a J-1 visa:
  - <https://at.usembassy.gov/visas/nonimmigrant-visas/>
  - <https://j1visa.state.gov/>

Please note that the term „program sponsor“ means your host institution/university and not the grant awarding institution or financial backer. The program sponsor/host institution issues the Form DS-2019.

(The Form DS-2019 or "Certificate of Eligibility for Exchange Visitor (J-1) Status" is the basic document used in the administration of the exchange visitor program. Excerpt from the above mentioned website)

**2) The awardee will have to sign a research assignment agreement with the Austrian Marshall Plan Foundation and will have to furnish proof of having taken out adequate travel, health and accident insurance incl. a return and transfer transport guarantee and adequate third-party liability insurance before the start of the research period abroad otherwise the scholarship cannot be released.**

**3) Payment will usually be made in two installments with the first installment to the amount of 80% due before the beginning and 20% upon completion of the research period and approval of the written documentation.**

**4) Documents to be submitted to JKU International Office within 3 months after the research period abroad:**

- Confirmation signed by supervisor at host institution indicating the exact duration (from ddmmyy to ddmmyy) of the research period abroad
- *Letter or e-mail*: Confirmation of supervisor at home institution regarding successful completion/outcome of the research period abroad
- *Via e-mail*: Final (research) report (min 7500 words excl. front page, table of contents and references/testimonials (title/topic must correspond to application project title/topic)
- *Via e-mail*: Field report (max. 2 pages) **using the following obligatory scheme:**
  - General impression of research period abroad
  - Quality of the host institution
  - Contacts within host institution / integration in the organization
  - Recommendations for future Marshall Plan Students/Fellows

**5) The awardee undertakes to publicly present his research findings within the framework of an appropriate event and on the foundation's website. This **may be adjourned** e.g. if research findings will be published in/as a scientific paper**

**5a) up to 3 years:** Documents s. §4 + statements of awardee and home university supervisor (official department letter)

**5b) more than 3 years:** s. 5a + report summary (1000 words excl. front page/contents/references) to be published on foundation's website
