Open the [Online Course Catalogue](#)

The screenshot shows the KUSSS interface with the following elements:

- Header:** KUSSS logo and navigation links (DE, EN).
- Navigation:** Username and Password fields with Login and Help buttons.
- Left Sidebar:** Current issues, Guestroom, External Tools, and Help sections.
- Main Content:**
 - Curricula:** A list of faculties: Faculty of Law, Faculty of Medicine, Faculty of Engineering and Natural Sciences, Faculty of Social Sciences, Economics and Business, and School of Education.
 - Course search filters:**
 - 1:** Semester dropdown menu (2017W).
 - 2:** Language of instruction dropdown menu.
 - 3:** Course title text input field.
 - 4:** Curriculum dropdown menu.
 - 5:** Search button.

1) Select the semester. As a default value, the current semester will appear. 2019S stands for the Summer Semester 2019, 2018W stands for the Winter Semester 2018/19.

2) The final list of university courses at JKU will only be available a few weeks before the relevant semester begins. In order to select your courses for the upcoming semester(s), please use the list of courses offered from the previous year as a guideline (i.e., courses from 2017S). Courses offered in the Summer Semester are usually similar to courses offered during the previous Summer Semester. The same applies for courses during the Winter Semester.

3) Select the language of instruction.

4) Optional, select the course title. You can also use fragments of the title (e.g. Management)

5) Optional, select the curriculum. All courses matching your search will be listed.

6) Click at the Search button to initiate the search.

2. View course overview

- 1) **Course Id** = internal course number. Please use this number for your Learning Agreement. A course may be offered more than once at different times and by different lecturers. For the Learning Agreement it doesn't matter which Course Id you choose.
- 2) **Course title**: By clicking the Course title you will receive more detailed information about the course (please see the next page).
- 3) **Type** = course type
- 4) **ECTS** = number of ECTS credits
- 5) **Hours** = contact hours per week
- 6) **Mode**: Traditionally courses are held on-site. However, there is also a number of distance learning courses offered, some of them at an extra fee. Please make sure to only select on-site courses.

3. View course details and description

By clicking the Course title you get the following view:
