

SPACE FOR YOUR TALENT.

The world is changing at an ever-faster pace. At the Johannes Kepler University Linz, we work on technologies and the ideas of tomorrow on a daily basis. At the same time, we educate over 21,000 young people to meet the demands of today's job market. In short, we are Upper Austria's largest institution for education and research. Are you interested in being a part of shaping the future of Austria's most attractive campus university? We currently have an immediate job opening for a:

University Assistant (must hold a Doctorate/Ph.D. degree) for a full-time position at the Institute of Physiology and Pathophysiology, Department of Pathophysiology (to May 31, 2023)

Job Reference Number: 4407

Job Duties:

- Teach university-level courses in cell biology, pathophysiology, laboratory tutorials, and problem-oriented learning
- Plan and conduct clinical studies
- Conduct tissue analyses
- Conduct primary cell cultures, experiments and analyses
- Apply methods of drug analytics
- Conduct omics analyses in the field of metabolism, including imaging methods
- Acquire external funding
- Conduct animal testing and develop alternative methods to animal testing

Your Qualifications:

- The successful candidate must hold a Doctorate/Ph.D. in molecular cell biology or a related field
- Possess expertise, certificate of competence and experience drafting and conducting clinical studies
- Hold a license to conduct animal testing (FELASA B)
- Isolate, propagate, and conduct experiments with primary cell cultures that focus on the vascular system
- Conduct OMICS-based analyses of cell and tissue metabolism, including serum analyses
- Image metabolism in tissue (MALDI-MS imaging)
- Develop HPLC protocols and measure the cellular uptake of compounds
- Possess broad, methodological expertise in cell biology and histology as well as cell-based drug and toxicity analyses
- Demonstrated ability to procure external funding is preferred
- Strong command of German and English (German: level C1 and English: level B2)
- Experience in preparing and delivering educational content (cell biology, pathophysiology, laboratory tutorials, problem-oriented learning)

What We Offer:

- On the basis of full-time employment (40 hours/week) the minimum salary in accordance with the collective agreement is € 3,889.50 gross per month (14 x per year, CA Job Grade: B1)
- Stable employer (offering attractive educational opportunities)
- State-of-the-art research infrastructure and a dynamic research environment
- Exercise and sports classes (USI)

Application Deadline: February 3, 2021.

The Johannes Kepler University wishes to increase the proportion of academic female faculty and, for this reason, especially welcomes applications by qualified women. If applicants are equally qualified, a woman will be given preference for this position. The university welcomes applications from qualified applicants with physical disabilities. These applications will be given special consideration.

How to Apply:

Prospective applicants interested in the multifaceted position are requested to electronically send an application in adherence to the stated criteria together with the requested documentation via our online portal jku.at/application or to the Johannes Kepler University Linz, Department of Human Resource Management, Altenberger Straße 69, A-4040 Linz. Please include "Job Reference Number 4407" in your application.
