

SPACE FOR YOUR TALENT.

The world is changing at an ever-faster pace. At the Johannes Kepler University Linz, we work on technologies and the ideas of tomorrow on a daily basis. At the same time, we educate over 23,000 young people to meet the demands of today's job market. In short, we are Upper Austria's largest institution for education and research. Are you interested in being a part of shaping the future at Austria's most attractive campus university? We currently have an immediate job opening for:

2x University Assistant (for General Medicine, must hold a Doctorate/Ph.D. degree) for a 10-hour/week, six-year position at the Institute of General Medicine

Job Reference Number: 5210

The new Institute of General Medicine at the Johannes Kepler University's Faculty of Medicine serves as a bridge between scientific, clinical medicine and general practice on an outpatient basis. On one hand, the Chair for General Medicine creates new perspectives in medical practices and on the other hand, it provides key inspiration in the field of research to further develop practices in the field of general medicine. The Institute of General Medicine is looking to hire a general practitioner.

Job Duties:

- Provide support to lay the foundations of the Institute for General Medicine
- Actively take part in interdisciplinary, international collaboration projects in the field of general medicine
- Independently process research objectives at the institute as well as research derived from these objectives
- Publish findings in the field of health sciences with a focus on General and Family Medicine
- Teach university-level classes (hold workshops, supervise internships, co-supervise Bachelor's and Master's theses)
- Willingness to introduce innovative approaches (online coordination, e-learning, etc.)

Your Qualifications:

- The successful candidate must hold an academic degree in medicine
- Specialist in General Medicine, or a trainee in Family Medicine
- Professional experience in both extramural and intramural areas in the Austrian health system
- Strong communication skills and the ability to work effectively as part of a team
- Strong command of German (level C2) and English (level B1)
- Experience in knowledge transfer
- Enthusiasm and passion to conduct research and teach

What We Offer:

- On the basis of full-time employment (40 hours/week) the minimum salary in accordance with the collective agreement is € 4,061.50 gross per month (14 x per year, CA Job Grade: B1)
- Stable employer
- Attractive campus environment with good public transportation connections
- Attractive professional development opportunities
- State-of-the-art research infrastructure/dynamic research environment
- Exercise and sports classes (USI)
- ...and much more

Application Deadline: January 4, 2023.

The Johannes Kepler University wishes to increase the proportion of academic female faculty and, for this reason, especially welcomes applications by qualified women. If applicants are equally qualified, a woman will be given preference for this position. The university welcomes applications from qualified applicants with physical disabilities. These applications will be given special consideration.

How to Apply:

Prospective applicants interested in the multifaceted position are requested to electronically send an application in adherence to the stated criteria together with the requested documentation via our online portal jku.at/application or to the Johannes Kepler University Linz, Department of Human Resource Management, Altenberger Straße 69, A-4040 Linz. Please include "Job Reference Number 5210" in your application.
