PLEASE NOTE:

Course places will be given to students on the basis of “first come- first served”. Your place will not be secured by only putting the course into the shopping cart! Only after your course payment has been confirmed, you have secured your place in the course. You are strongly advised to only use the payment options provided. Please do not pay the course fee with a payment slip at your bank as the money cannot be allocated to you and the course.

Please be aware that the course fee is not the same as the tuition fee. They have to be paid separately and in different ways. Also, in case you forget to pay the tuition fee in time, you will neither receive a certificate nor credits at the end of the semester.
